The Official
Opening of
Our Outdoor
Classroom

We had an exciting day celebrating the official opening of our out-door classroom! Huge thanks to Siemens Mobility for funding this project and for all the hard work involved in planning and constructing it. We were also excited to announce the name of our classroom as 'The Four Seasons Classroom', named by one of our P3 pupils. We are so excited to use it in all '4 Seasons'.

'The Four Seasons' Classroom with beautiful flowers for the summer.
