Head Teacher's Report – 24.4.24

Welcome

Mrs Armour welcomed and thanks everyone for their attendance.

Class Configurations 24/25

We are currently configuring on 3 mainstream classes.

Curriculum Rationale

We are in the final stages of completing our Curriculum Rationale. This has been over a year's work of consultation to encapsulate what make our school unique. The final piece of work will involve including pupil, staff and parent voices via our Thinglinks.

Other Activities and Opportunities

P5 Swimming

This is underway and going well at Lanark Lifestyles.

Multiply

As part of transition planning, Miss Thompson and Mrs Bone will begin Numeracy parent sessions on 30th April and will focus on how to support their child ahead of transitioning to Primary 1.

Bikeability

This will commence also on Tuesday 30th September for Primary 6/7 pupils.

SAMH Workshops

These are being held on 1st May with both parent and pupils sessions for P6/7.

RSHP

RSHP will commence week beginning 6th May. Letters will be issued shortly.

Waste Warriors

Some of our Eco Committee and other volunteers who are interested in sustainability/climate change are leading the project. The pupils identified to lead the project are known as the Waste Warriors. This is a 6-week and began on Monday 22nd April and runs for 6 weeks. During each lunch period, the Waste Warriors monitor and record food waste, act as a positive role model within the school and assist / encourage pupils to leave less waste. Each day, the pupils use the Food Waste Monitoring Sheet.

Successful Fundraising

Western Recreation have very kindly accepted our fundraising application and have granted us £1500 to develop a sensory garden.
