Head Teacher's Report – 9/3/26

School Improvement Plan Update

Moderation: Our Mainstream teachers are currently carrying out class trio visits, focusing on Improving our Writing.

Our ASN classes will be next to visit each other's classrooms, with a focus on the sensory curriculum.

Celebrating Diversity

Our showcase on Friday was very well attended by families. The feedback has been highly positive and the children who were representing the classes were a real asset to the school. They spoke from the heart about the work carried out in class. Our classes will have the opportunity to visit the displays today. We look forward to sharing our learning with the wider school communities via SLC SWAY (Education Newsletter).

Award Success

We are delighted to have been awarded winner of the Clydesdale Sports Award for 'Smalls Schools Sports Award' Ms Nayyer and I were honoured to be part of the awards evening on Friday night and to receive the award on behalf of the school. Mrs Armour shared a summary of why our school achieved this award. Again, we look forward to sharing our achievement via SLC SWAY (Education Newsletter).

Funding

Many thanks to Elaine our YFCL and to Ms McCaig for creating our willow tunnel in the outdoor classroom area. The willow was purchased from funding we kept aside from Wester Recreation funding.

We are fortunate to have received additional funding from SLC. Funding has been Allocated to school with ASN bases to improve their inclusive curriculum offer.

We were unfortunately not successful in our recent funding application for ipads. We continue to look for further funding opportunities.
