You could use a number line to help you.</p> | <p><u>Build a Snowman</u></p> <p>Can you build a snowman that is bigger than you? Smaller than you? How many stones did you use for the buttons? Or the mouth?<br/>Count how many you used altogether.</p>                                |

### Alphabet Match

Match the upper and lower case letters of the alphabet on white circles to complete the snowman.

### Story Time

Ask an adult to read you a story. Afterwards, see if you can find any of your common words within the book?

Look for 'the' and 'and'.  
How many times do they appear on the page?

### Snowy Sounds

Write your letters and known sounds in the snow – use a stick or a gloved finger. Say each sound aloud as you write them.  
Can you think of a word that begins with each sound?

### Listening & Talking

Listen to and watch a short story with a winter theme.

Here are two examples:

[The Snowman](#)  
[Santa's Little Helper](#)

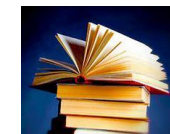

### Early Level Literacy Activities

### Reading

Practise reading your words from school that are in your word tubs.

Try to read or listen to a story every day.

### Puppet Show

Can you re-enact one of your favourite stories?

You could put on a show for the family by using teddies, toys or even make your own puppets.

### In A Twist!

Listen to the tongue twister and practise saying it aloud. It's tricky!  
You could shorten it if you needed.

*'Eleven elves licked eleven little liquorice lollipops.'*

[Click here to listen to it.](#)

### Rhyme Time

Listen to some rhymes and poems here:
